Technical Specifications

VL-TL3 Threat Level Indicator

- Universal recognized pattern and colors greatly benefit individuals who are color blind
- PoE (IEEE 802.3af)
- Silent alerting
- Situational awareness through color
- Indoor use

High alert

Medium alert

Low alert

Mounts to Speaker with Text - VL520 and VL550 series

Description:

The VL-TL3 Threat level indicator is an add on device to Valcom's Speaker-with-Text series products line. It's ideal for a variety of scenarios where visible alerting by colors and patterns are needed. The colors of the indicators are physically located like the international standard of red at top, yellow in the middle and green on the bottom. This universally recognized pattern and colors greatly benefit individuals who are color blind in emergency conditions.

SPECIFICATIONS
