

Digital Power Supplies

Valcom’s power supplies are engineered for 20 year life cycle for normal paging systems. Our power supplies meet federal and state energy requirement including Energy Star Rating.

Features & Advantages

Barrel or Wire Connection

Easy installation.

UL Certified Product

Meets or exceeds industry standard.

Less Energy/Less Heat

20 year life cycle for normal paging systems.

Analog

- 300mA/24V +6 VPU VP-324D
- 600mA/24V +12 VPU VP-624D
- 1 Amp/24V +20 VPU VP-1124D
- 1 Amp/24V European Version +20 VPU VP-1124D-EC
- 1 Amp/24V UK Version +20 VPU VP-1124D-UK
- 2 Amp/24V +40 VPU VP-2124D
- 2 Amp/24V European Version +40 VPU VP-2124D-EC
- 2 Amp/24V UK Version +40 VPU VP-2124D-UK
- 2 Amp/-48V N/A VPU VP-2148D
- 4 Amp/24V +80 VPU VP-4124D
- 4 Amp/24V European Version +80 VPU VP-4124D-E

230Vdc Power Supplies:

- EC European Power Supply (Plug Included)
- UK United Kingdom Power Supply (Plug Included)
- E 230Vdc Power Supply (Without Plug)

IP

- 24VDC, 300mA (Local Power Option for Valcom IP Gateways) VIP-324D
