

Pendant Speakers

Valcom's One-Way Pendant Speakers are high efficiency, self-amplified speakers that are ideal for high ceiling and open space areas where you want to keep the look simple, but not at the expense of sound quality. The weather-resistant metal enclosure comes with a 6-foot chain and is perfect for airports, retail stores, shopping malls, restaurants, offices, hallways, and covered patios where intelligible speech and music is needed.

Features & Advantages

Built-In Amplifier

Excellent sound quality, low power consumption.

Metal Enclosure

Solid and durable for long life.

External Volume Control

Control the volume level of your speakers to a level that is best for your organization.
