## Valcom Engineered Solutions Registration

Sept. 30 - Oct. 2, 2025

### Contact Information:

PO#: \_\_\_\_\_

Full Name: \_\_\_\_\_

Company: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Telephone: \_\_\_\_\_

E-mail: \_\_\_\_\_

### Attendees Names:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

### How to Register:

Fax or email a Purchase Order Number to:

**Valcom Engineered Systems Division**

Attention: ES Systems Training Sept. 30<sup>th</sup> - Oct. 2<sup>nd</sup>

phone: 800-825-2661

fax: 540-362-9800

email: [is@Valcom.com](mailto:is@Valcom.com)

We will need to know the names of the attendee(s).

Registration will be complete when you receive confirmation via e-mail or telephone.

Please be certain to pass this information along to your registrants.

## What You Need To Know

### Attendees of the Technical Training will need:

- a jacket or light sweater
- an unblocked Windows 10 or higher laptop PC with an RJ45 Ethernet Jack or USB to Ethernet adapter. Port restriction by protection programs may hinder the ability to perform in class programming. Please verify with your IT director before attending class.
- install the VIP-102B IP Solutions Setup Tool  
Found at <http://www.Valcom.com/esd> on the laptop PC prior to travel.

**Registration will be complete**  
when you receive confirmation via e-mail or telephone.

**BICSI recognizes Engineered Solutions Systems IP Based Intercom/Emergency Mass Notification Technical Training for BICSI continuing Education Credits (CECs), Effective 9/12/2024**

- Valcom's total liability shall be limited to tuition reimbursement if this training event is delayed or prevented by an act of God, force majeure, or other circumstances outside of Valcom's control.
- We understand that unforeseen circumstances occur. For companies registering up to 2 attendees, no fee cancellation is permitted ten business days before class; this allows time to accommodate others.
